

Dear Designer,

## WELCOME TO THE PROPELLER FASHION SHOW 2006 !

On behalf of Christian City Church – God in the City, welcome to the Propeller Fashion Show 06. The show will be held on **Wednesday 30th August, Thursday 31st August and Friday 1st September 2006** in the GITC building on the corner of Stanley and Palmer Streets in Darlinghurst - the heart of Sydney's fashion culture.

We congratulate you on your bold step to apply to show your collection in the show described by the Sydney Telegraph as a 'runway extravaganza!'

### **WHAT IS PROPELLER ?**

Propeller is a volunteer community based initiative of Christian City Church 'God In The City'. The vision of Propeller is to connect and propel emerging creative talent. Propeller provides a place of expression, inspiration and connection for artists and helps develop the unique talent and creativity within our church and local community.

Each year God in the City presents the Art and Design Award, Fashion Show and Short film Award, giving Sydney's emerging artists the opportunity to display their work to the public and industry professionals at grass roots level.

### **PROPELLER FASHION**

Propeller celebrates fashion as art and unlike most fashion shows allows designers to unleash their creativity without having to conform to the commercial boundaries of the fashion industry. Propeller will showcase designs from prêt-a-porter street wear to the high end of fashion haute couture, including avant-garde and costume design.

The vision of propeller is to propel YOU the designer to the next level of excellence and confidence and to encourage you to pursue your creative dreams; to give you the opportunity to develop your talents and skills; to give you a platform from which to showcase your work in the public arena and to connect you with professionals working in the industry.

### **WHO CAN ENTER**

Submissions are open to designers, students and the general public. Judges will award the grand prize to the best entry. So be encouraged, it is going to be a great show and we would be pleased to have you embark on this journey of Propeller 06 with us, a journey of untold opportunity ...

Kind regards,

Senior Ministers Tim & Korrily Lowe
